RE: Minimum Order for Free Delivery

Due to the rising prices of fuel, effective April 1, 2010 we will be raising our minimum order for free delivery from \$50.00 to \$75.00. If your order is below \$75.00, a \$5.00 minimum order charge will be added onto your order. Please do not hesitate to call us if you have any questions or concerns. As always, you are welcome to pick up your order if it is below the minimum amount.

Thank you for your continued business!
